Introduction

Reading Tip: Dear Parents, please make sure you read through this handbook each year as things sometimes change and we would not want you to miss anything. If you are signed up for a Home Education program, please also refer to the Alberta Education Guide to Home Education.

You and your child can choose from a wide range of options for schooling: public schools, separate schools, Francophone schools, private schools and charter schools. There are also a number of unique and innovative programs, including home education, online/virtual schools, outreach programs and alternative programs.

When searching for a school or program that will best meet your child's needs and future aspirations, be sure to:

- Research what types of learning experiences a school or program offers
- Talk with the school administration and teaching staff
- Attend school open house or information events

The more information you gather, the more informed you will be about your options, and the better you'll feel about your child's learning experience.

WHY IS CHOICE IMPORTANT?

"Alberta does a better job of providing choice in education than any other jurisdiction in Canada, and arguably in North America. Unlike other provinces or states, Alberta allows some portion of provincial education dollars to follow students to a wide range of different educational options, regardless of parent's income level." PCE website - Jan. 11, 2017

1. **Parents Want Choice** - the majority of parents want options for their child's education. One size does not fit all!
2. **Choice Leads to Student Success** - because every student is different and learns in a different way, we need schools that organize differently and teach differently. When it is a good match, students soar to brilliance!
3. **Choice Empowers Advocacy** - Many alternative forms of education were started by parents and innovative educators who believe in education and choice!
4. **Choice Inspires Innovation** - Alberta's educational landscape is sprinkled with visionary educators and founders who have created innovative schools.
5. **Choice Strengthens Communities.** Many schools function as local hubs to connect students and families with a host of services beyond education, including social and health services. Any educational option that contributes to the holistic well-being of its students and their families is worthy of support.

About the Foundation

OUR MANDATE

1. Phoenix will deliver school directed, customized education for K-9 students and home education supervision for students ranging from 1-12.
2. Phoenix accepts students and families that are equal partners in their education and demonstrate a desire to grow, learn and contribute.
3. Phoenix will teach students that the acquisition of knowledge is a lifelong journey.
4. Phoenix will foster personal responsibility, social responsibility and cultural awareness to ensure that students develop into responsible global citizens.
5. Phoenix will provide students with a quality education that will be measured through recognized achievement reporting methods.
6. Phoenix will provide a learning environment that is safe, inclusive and productive for students, staff and families.

OUR BELIEFS

- We believe that each child has unique talents, skills, interests and learning styles and that their education should respect these key elements.
- We believe that parents are the primary and ongoing educators of their children: therefore, a meaningful partnership with them is critical.
- We believe that the support and guidance of our caring, dedicated, qualified professionals will enhance the academic, physical, social, spiritual and emotional qualities of our students.
- We are open to all learners grades K-9.

WHO OWNS PHOENIX?

We all do! Phoenix School is run by the Phoenix Education Foundation, a not-for-profit society founded in 2004 and is guided by a small, responsive Board of Directors. If you have questions or concerns, please put them in writing and send them to the:

Phoenix Education Foundation - 403-265-7701
320 19 Street SE
Calgary, Alberta
T2E 6J6.

We will do our best to address your concerns!

OUR MISSION

To provide unique learning opportunities for families so that each young person may develop into a life-long learner and active, responsible global citizen.

PHOENIX IS A PRIVATE SCHOOL

What does that mean? It means that we:

- Save the public purse millions of dollars each year,
- Only receive partial funding from Alberta Education (1/3 of a public school), and thus rely on donations and support from our community, (and operate very efficiently)
- Offer a unique and creative program,
- Teach the Alberta Programs of Study (APS),
- Hire Alberta government certificated teachers,
- Comply with the School Act and other legislation,
- Submit annual financial audits, 3 year plans and Annual Education Results Reports and health and fire inspections,
- Are monitored by the Education Ministry regularly and our families regularly fill out surveys sent out by the province to make sure we are meeting the needs of our students,
- Are Safe and Caring, successfully prepare students for the world of work, prepare them to be good citizens and strongly support parental involvement,
- Are part of the learning landscape of educational **CHOICE** in Alberta.

Alberta Private Schools Serve the Public Good

Making a Choice

Alberta parents enjoy a wide range of choices for their children's education, including home-based programs. While choosing, parents should consider several factors:

- the child's interests, strengths and needs,
- the family's collective belief and value system,
- the amount of time available to a parent to support the child's education, and
- what type of program may work best for everyone.

WHY CHOOSE AN ALTERNATIVE?

There are many reasons why families may choose a different form of education, but the most common reasons are:

- to instill family values and morals
- to spend time together as a family
- to make better use of time and resources
- to help their child succeed
- to accommodate special needs and interests
- to achieve higher standards for their children

Overview of Your Options @Phoenix

Kindergarten

Open to children who are 4 years and 6 months old on September 1 of each year. Consists of a minimum of 475 hours of FREE programming including music, art, literacy and field trips. Field Trips, food or cultural fees may be charged if applicable. Families receive ~\$549.00* towards transportation. This is an on-site program and regular attendance is required.

BlendEd Grades 1-9

Our unique "BlendEd" program uses our learning management system (Schoology), in combination with great print resources, onsite small group classes, field-trips and school-based activities for 950 hours of access to instruction. This program follows the Alberta Program of Studies (APS) in all subject areas. An Alberta certificated teacher (Learning Coach):

- develops the instructional path,
- deliver the learning opportunities,
- coaches and assesses the student,
- reports on progress.

Parents are highly engaged partners in this program. There is a collaborative effort between the home and the school, combining the strengths of parent-student, student-teacher (Learning Coach), and parent-teacher (Learning Coach) interaction. The degree to which parents are engaged in learning partnerships varies with the age of the student, the learning needs and the grade level.

This program includes all core resources, enrollment in schoology courses, a selection of onsite classes, field-trips, a variety of activities, as well as the parent/student support needed for completion of the Instructional Pathway.

Online Grades 1-6

This program has all the same requirements and elements of our BlendEd program, however, there are no required on-site classes. All instruction is accessed via Schoology. Report card meetings and diagnostic testing are the only on-site activities. Students may opt to attend classes. Fees will apply.

Home Education Grades 1-12

Our Home Education program is open to all students who are 5 year and 6 months old and older as of Sept. 1. The parent designs, implements and evaluates this program. Phoenix reports on the progress of the program. Minimum 2 parent/student/teacher meetings each year. Portfolio required. Resource funding allotment is ~\$836.00* Please see the Alberta Home Education Handbook and our Home Education Package for program details.

** Resource allotment depends on Alberta Education and is subject to change*

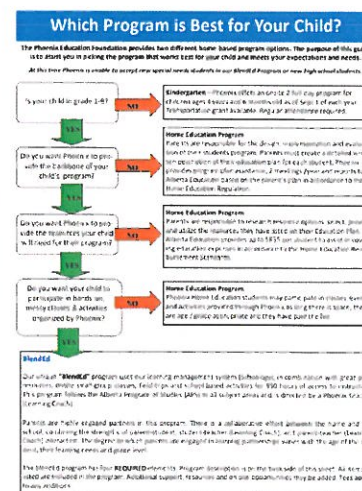

IS HOME EDUCATION RIGHT FOR YOU?

Home Education requires a very serious commitment from parents. You are responsible to design your student's program, source resources, plan a schedule, create assignments, mark work, supervise your student, keep a portfolio, track progress, work with your Coach and so on.

- Do you want Phoenix to provide the backbone for LA, MATH, SCIENCE AND SOCIAL?
- Do you want Phoenix to provide the resources?
- Do you want Phoenix to provide assignments, marking and feedback on student work?

If you answered YES to any of these questions, check out our BlendEd or OnLine programs. They may be a better fit for you and your family.

How to Access Your Learning Coach

Your coaches are available:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Coaches are available virtually through schoology M-F.	9:00 AM -12 NOON Coaches on site	9:00 AM -12 NOON Coaches on site	9:00 AM -12 NOON Coaches on site	9:00 AM -12 NOON Coaches on site
	NOON - 12:30 Lunch (Parents must supervise)			
	12:30 - 4:00 PM Coaches on site	12:30 - 4:00 PM Coaches on site	12:30 - 4:00 PM Coaches on site	12:30 - 4:00 PM Coaches on site

Special Needs

In accordance with the School Act, home education students do not qualify for additional educational support, but may still benefit from our experience and assistance in modifying their education plan.

Please note: Phoenix may not be the appropriate learning environment for all students as such we may be unable to accommodate your student's complex learning needs and supports. Please see our Admissions Policy and our special needs handout available at the front desk.

About Your Home Education Program @ Phoenix

STEP #1: CREATE AN EDUCATION PLAN

Your home education plan is required by Alberta Education and is one of the most important steps in your Home Education journey. Your Education Plan **MUST** be reviewed and approved by your Learning Coach.

Your application to our Home Education program is provisionally accepted until your Ed Plan has been received by the school. You **MUST** hand your plan in by **September 24**. Failure to meet this deadline may mean that your application is declined.

Your home education plan needs to address:

1. **What will you teach?** Describe the learning outcomes.
2. **How will you teach this?** Identify the resource materials, instructional method, and activities to be used for instruction. Describe how these will work together to enable the student to achieve the learning outcomes.
3. **How will you know what they have learned?** Describe the methods and nature of the evaluation to be used to assess the student's progress.

HINT: *Curriculum* is a set of outcomes. *Resources* are books, classes, videos, etc.

Your home education program outcomes do not have to follow Alberta Education's Programs of Study (APS). You can choose to design or follow another curriculum! If you choose your own outcomes, they must meet the outcomes described in the Schedule of Learning Outcomes that do not follow the APS. These outcomes are listed in the appendix of the Home Education Regulations.

We also have two Ed Plan templates for you to use; one that follow the APS, and one that follows the Schedule of Learning Outcomes that do not follow the APS.

Creating a detailed plan that includes what resources you will use, how you will use them, what outcomes the activities address, how much time will you allot to each of your child's planned learning activities and how you will know that they are learning are essential parts of a good plan. Ongoing evaluation will help you modify activities and learning resources based on your student's progress.

Fellow parents and your Learning Coach can offer advice, suggest activity options and provide information about important educational issues that may affect your home education program.

Just like your student, education plans change. They are living documents and can be changed!

STEP#2: KEEP A PORTFOLIO

All home education students are required to keep a portfolio filled with dated samples of work and a general record of the student's activities. Your Learning Coach will review this with you during your meetings.

STEP#3: VISITS WITH YOUR LEARNING COACH

Your Learning Coach is available anytime for support, and we like to meet you three times a year; once in September to meet you and your wonderful family and then two progress meetings; one at mid year (December / January) and again at year end (May / June).

However, only the 2 progress meetings are mandatory and during these meetings your Learning Coach will review your student's portfolio and, with your help, complete a progress report that notes progress on the education plan you created and any suggestions for success.

We prefer that you come to the school whenever possible as it help keeps our costs down and allows our Coach to maximize their time with you. Besides - we like to see you and your amazing family!

During your first meeting we will give you a Home Education Package that includes:

- A copy of the Regulation
- A copy of the Reimbursement Standards
- A reimbursement form
- Phoenix Admission Policy
- Alberta Education Home Education Handbook
- Education Plan Template
- Phoenix Education Home Handbook
- Program Guide for current year
- A copy of your completed and approved education plan
- A copy of your home education notification form and acceptance letter

STEP #4: REIMBURSEMENT

Home Education students receive \$836.00* in funding from Alberta Education. This funding is distributed by the school by way of reimbursement.

All items that you submit for reimbursement **MUST** be part of your student's education plan.

Reimbursement Guidelines were set by Alberta Education in August 2017 and are subject to change.

**Funding amount is set by Alberta Education and is subject to change.*

REIMBURSEMENT GUIDELINES

- Consumables - paper, pencils, art supplies, general workbooks, ink
- Curriculum based – workbooks, textbooks, reading books
- Online curriculum programs – learning programs on CD
- Learning aids - manipulatives (supported in the program plan)
- Computers, technology equipment (i.e., printers), including repairs and upgrades

- Internet services – 50% of monthly fee from September to end of August
- Tutoring - Group or individual lessons necessary for the student's program, delivered by a subject matter expert who is not an immediate family member
- Lessons (up to a maximum of 50% of the funding provided to parents) - including, but not limited to, music, swimming, and language lessons taught by a certified instructor
- Tangible assets (up to a maximum of 50% of the funding provided to parents) - e.g., cameras, telescopes, musical instruments, physical education equipment, sewing machines
- Home economic edibles
- Admissions/field trips (up to a maximum of 50% of the funding provided to parents)
 - Includes zoo admission, theatre tickets, museum admissions, science centre entrance fees, and multi-use recreation centres.
 - Reimbursable amounts should be for the fees paid for the **student only**.
 - Family admission is permissible if it is more cost-effective than purchasing multiple individual student admissions.
 - Multiple admissions or annual passes are acceptable for activities when directly related to the student's home education plan.
 - Reimbursement for parent admissions and travel costs are not acceptable.
- Postage/shipping and handling from vendors to the home education family

Not recommended for home education reimbursement:

- Furniture
- Warranties/insurance
- Competitions - including, but not limited to, swim meets and tournament costs
- Registration fees - including, but not limited to, sports teams, and summer camps
- Postage, fax costs and long-distance charges to an associate school board or private school and its teachers
- Travel costs

RECEIPT GUIDELINES

- MUST be ORIGINAL and ITEMIZED. No photocopies. No credit card statements or debit card receipts. Electronic receipts are acceptable. If you require a receipt for warranty, please ask for a duplicate when you make the purchase or keep a photocopy for yourself.
- Pay for your educational items separately from items not related to your claim, such as groceries.
- Purchases made in the U.S. must show the paid value in Canadian dollars.
- Handwritten receipts must include: seller's name, date, amount, payment method, and a brief description of the items.
- All receipts must be dated during the current year of your child's education plan, which is July 1 of the current year - May 30 of the following year.
- All receipts MUST be received at the Front Desk by JUNE 15.

OTHER SERVICES

Home education students may access:

- Private student instruction provided by Phoenix
- Diagnostic testing (CTBS and Fountas and Pinnell)
- Enrichment classes, activities and field trips offered at Phoenix.

Fees apply for these services. Please see a current program guide for details.

Home Education students in grade 6 and 9 are not required to take the Provincial Standardized Tests (PATS), but have the option of doing so. Be sure to discuss testing and diploma examinations with your Learning Coach.

All students may apply for RCSD services to assist with special needs. This program assists with speech, occupational and physical therapy. Please ask your Learning Coach about this program. Services are limited.

HIGH SCHOOL

High School students and their parents are encouraged to discuss High School options with their Learning Coach. In particular, students wishing to complete an Alberta High School Diploma need to be aware of the requirements of this program. Phoenix offers High School courses for credit through ADLC (Alberta Distance Learning Centre). Post secondary education institutions also have specific entrance requirements that will affect student's program and course choices.

Additional information about High School graduation is available on the Alberta Education website.

<https://education.alberta.ca/graduation-requirements-credentials-credits/finishing-high-school/>

Please note: Phoenix is only accepting returning Phoenix students into the High School program. These students must be registered in the Home Education program.

WHILE ON AT ONSITE @Phoenix

Allergies

Phoenix CANNOT in any way guarantee that the Centre is allergen free. Anyone with an anaphylaxis allergy must keep their epi-pen on their person and/or have their parent on-site with them at all time unless they are able to self-administer.

Bins and Shoes

Phoenix provides bins for students to put their coats and shoes in. If you would like to reserve a bin with your name on it, the fee is \$5.00 for the year. All staff, students and parents require indoor shoes while at Phoenix.

Breakfast Program & School Store (Victor the Vending Machine)

In an effort to help our students develop the skills required to support a healthy, active lifestyle, the Breakfast Program provides FREE nutritious snack alternatives for students, parents and staff and is available anytime of the day. The vending machine offers treat snacks for a nominal fee.

Class & Event Registration & Costs

Our classes and events are priced on a cost recovery basis. The fee covers the instructor, most class materials, insurance, rent and a small contingency. Classes and events must be prepaid. You may use Home Ed funding or pay by Visa, MasterCard, cash, cheque or debit. Any outstanding account balances will be charged to your credit card.

Registration closes Friday at 2:00 PM for the next week's classes and activities.

Class & Event Changes & Refunds

All class & event fees are **non-refundable** and **non-transferrable**. You have **48 hours from time we receive your registration** to make any changes or to cancel your booking. After 48 hours, you may switch classes, but a \$25.00 fee will apply. If Phoenix cancels the class or activity, we will issue a refund or credit.

Computer Rental Program

Phoenix offers a Chromebook rental program. The rental fee is \$99.00 per year, payable when you rent the chromebook. You may use Home Ed funding to pay this fee. All chromebooks must be returned by June 15 of each year.

Content of Onsite Classes

We try to incorporate as many different styles of learning as possible into our classes! That means they can sometimes be very messy, so please come on time and dress appropriately. Learning Outcomes Sheet and/or the lesson plan that details what APS outcomes were covered in the class will be posted on Schoology. Class material is taught at the stated grade level.

Clubs and Service Opportunities

Students may start clubs that meet at various times throughout the year. Please see our Safe and Caring Policy for more information.

1. Stop at the front desk and share your idea. Our school secretary will tell you about any policies and guidelines that apply.
2. Find someone who would be willing to act as a club leader. Depending on the club, we may have a staff member who is willing to help organize and supervise.
3. The school administrator will want to contact you to discuss the idea and how we can support it.
4. Working with the Administrator, we will flesh-out the idea including a name, a description, goals and so on.
5. Phoenix will check the calendar, schedule a meeting time and find space for the club.
6. Phoenix will help with the advertising and promotion, but we expect you to assist in recruiting like-minded folks!
7. Register and attend!

Electronic Networkable Devices and Network User Agreement

Computers, ipads and the internet are used at Phoenix. Computers are on teacher carts for use in all classrooms throughout the school as a learning tool. Students/parents are welcome to bring their own devices, but Internet access requires permission.

Fire Drill & Emergency Procedures

To ensure the safety and security of our students we have fire drills periodically throughout the year. We remind students that “practice makes perfect,” and we need to be ready if such an unfortunate event were to occur. Because of our unique nature, instructors are required to remind students of safety procedure at the beginning of each class.

Early in the school year, all staff will review the procedures, instructions, and expectations for these drills from each classroom and location in the school. Please take responsibility for asking questions if you’re unsure, and taking the appropriate action when participating in a drill.

General Media Coverage Notice

The Phoenix Education Foundation cannot prevent media outlets from photographing students from vantage points beyond our control, such as outside the school or across the street from the school. Nor can Phoenix prevent the media from interviewing students at these locations. Similarly, parents may take recordings of children at events in the school or off-site. In such instances, your child's image or voice or a digital manipulation of the image or audio may be recorded, broadcast or published. Once the photograph or recording has been taken, Phoenix cannot restrict or limit subsequent publication or re-broadcast.

Guests/Visitors at the School

Anyone who is not part of the staff, student or parent body is asked to report to the office immediately upon arriving at the school. For safety and security reasons, it's important to have visitors sign in and receive an school name tag for the visit, this allows staff and students to know of their presence.

Illness While at School

Students who are ill should ask the teacher's permission to report to the office. School personnel are not permitted to give medication to students. We do not have facilities for students to remain at school when ill and therefore request that arrangements to pick up students be made as quickly as possible.

In-the-Scene-Education

In-the-Scene-Education is like UNIT STUDIES ON STEROIDS! This unique style of learning was developed by the Phoenix Education Foundation whereby students explore various learning opportunities "in the scene"—whether that is built onsite in our Studio or out in the community. Learning is engaging because students are able to make connections to the real world. It is hands-on and practical. It is messy because real life often is!

Leave of Absence/Family Vacation

Written notification of any extended leave of absence from school or studies should be given to your Learning Coach prior to the absence. It is expected that students will find out what assignments and tests will have to be made up.

Lunch Supervision

Parents are required to supervise their students during lunchtime. Lunch supervision can be purchased from the front desk for \$5.00 per lunch period.

Non - Funded Student Fees

A non-funded student is a student that registers after the September 30 deadline. Monthly fees apply for non-funded students. Program fees vary by program: Home Education program - \$80.00 per month, BlendEd - \$520.00 per month, Online - \$470.00 per month. Please contact the school for details.

Parking

We are so lucky to have our own parking lot at this location. It was recently re-surfaced and had new lines painted! Additional parking is available on the street in front of the school. Please watch for small children! Please do not block the back door.

Problems in Class or Other Disruptions

First, we will try to correct the problem with the student. If that is not working, we will ask parents to attend the activity with their student. If the problem persists, the student will be asked to leave the event. The parent and student will be required to attend a meeting with their Learning Coach to put learning strategies in place before the student can return to events, activities or classes at the Centre. Unruly behavior by either parents or students will not be tolerated.

Reduce, Reuse, Recycle

Phoenix students strive to be environmentally conscious and take action to maintain and improve our school and the surroundings. As a school, we recycle paper products, plastic/can drink containers, tetra packs and deposit containers, as well as organic waste. Receptacles and containers are located in classrooms, bathrooms and hallways.

Registration Fees

Registration fee: \$50.00 for returning students, \$75.00 fee for new students. You may not use your Home Ed funding to pay registration fees.

School Photos

Photographs are taken on Count Day and retakes are scheduled for the following month. Various package choices are available to purchase.

School Nurse

Our school nurse works predominantly with immunization and other specific public health requirements. This year, the school nurse will have scheduled office hours, allowing students to book appointments as necessary.

Snow Days

From time to time, the weather in Calgary is terrible and no one can safely make it into school. On those days, we will cancel onsite classes by notifying families through the website and google groups. Phoenix will refund any payments for class fees. Students and teachers can still communicate and work through schoology.

Student Attendance

Regular attendance to your studies contributes to your success. Students are expected to attend to their studies on a daily basis unless illness or other unforeseen circumstances prevents them from doing so. Parents/guardians are REQUIRED to telephone the school to explain and confirm the reason for a student's absence from onsite classes at 403-265-7701. Office staff arrives at the school by 8:30 a.m. and an answering machine is available.

Supervision of Students

Supervision is provided while students are attending classes at Phoenix. At all other times, supervision must be provided by parents. This includes: before and after class, lunch breaks, specialty events, like feasts, celebrations, special guests and field trips. Phoenix does not have recess times.

Babysitting costs will be applied to unsupervised children at a rate of \$5.00 per 15 minutes.

Use of the courtyard is permitted as long as students are supervised by an adult volunteer or staff member. Use of the gym is only permitted when supervised by staff.

As members of the community, we recognize that we share the space and expect everyone at Phoenix to respect others property, place litter in garbage containers and conduct themselves with courtesy and safety toward others.

Transportation

Phoenix does not provide transportation. Parents are required to transport their students to and from the school and to and from field-trips.

Other Important Information

DONATIONS

As a non-profit society, we happily accept donations. We can always use things like:

- glue sticks
- paper plates and cups
- felts and crayons
- cookies and more . . .

If you have items you would like to donate, please let us know. If you would like to help out and volunteer some of your time, we appreciate that too. We always need parents to look after the coffee station, help with set up in the morning and assist the tired staff with the take down in the afternoon. Please lend a hand!

The Phoenix Education Foundation generally raises between \$5000 - \$10,000 each year in donations and campaigns. It costs our organization 5-7% to fundraise. The money raised goes to our scholarship / compassion funds, refurbishing classrooms or special projects like our food forest. For further information, please contact Larry Leach 403-265-7701.

You can also contribute directly to our Awards, Compassion and Soaring to Brilliance Funds. You can donate to these funds at the time of registration or at any time throughout the year. Thank you for helping to make Phoenix a unique and compassionate place to be!

Compassion Fund

The Compassion Fund was created to help Phoenix families in need. It is used for cards, thank you gifts, a food hamper at Christmas time, or flowers during a time of loss. Your donations make a real difference!

Soaring to Brilliance Fund

The Soaring to Brilliance Fund was created to help Phoenix students pursue activities outside of the school.

Awards

We are very proud to present the Venley Conn Literacy Award, the Act of Kindness Award and the Michael Batas Environmental Stewardship Award. Recipients receive gift certificates, books, recognition and more. These great awards are presented annually to Phoenix students.

In order to keep these awards going, a separate fund has been created. Your donations help make these unique scholarships available to Phoenix children! Would you like a scholarship named after you, someone you love, or your business? It's possible, please come and see us to find out more!

All Our Policies and Really Important Docs

Below is a list of our policies. For more information, please feel free to contact the school.

Student Code of Conduct - Summary

The Phoenix Foundation has high expectations for standards of behavior for its organization, which includes students, parents, staff members, volunteers, and Board members. Phoenix is caring, respectful and safe learning environment that will not tolerate any form of abuse, harassment or unacceptable behavior by anyone associated with Phoenix.

Students are expected to be accountable and to model and reinforce socially responsible and respectful behaviors at all times. Breaching the Code of Conduct may result in a warning letter, suspension, expulsion, or legal action. All students and staff that are directly impacted by conduct which breaches the Student Code of Conduct will be supported by the Phoenix Foundation.

A complete copy of our Student Code of Conduct is posted on the website and in the Learning Commons. Copies are also available at the Front Desk.

Safe and Caring Policy - Summary

The Phoenix Foundation is an inclusive learning environment believes that all staff and students have the right to a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging, as well as a right to:

- be treated fairly, equitably, and with dignity and respect;
- have their confidentiality protected and respected;
- self-identification and determination;
- freedom of conscience, expression, and association;
- have equitable access to supports, services, and protections;
- have avenues of recourse (without fear of reprisal) available to them when they are victims of harassment, prejudice, discrimination, intimidation, bullying, and/or violence;

Phoenix will actively promote and encourage a welcoming, caring, respectful and safe learning environment for all staff, students and families and will actively support student organizations in accordance with section 16.1 of the current School Act.

Staff will ensure that all discriminatory behaviours and complaints are taken seriously, documented and dealt with in a fair, respectful and timely manner. As per section 31 of the Education Act, Phoenix administration will assist students in reporting acts of bullying to the proper authority.

A complete copy of our Safe and Caring Policy is posted on the website and in the Learning Commons. Copies are also available at the Front Desk.

Communicating With You

Parents are highly engaged partners in this program. There is a collaborative effort between the home and the school, combining the strengths of parent-student, student-teacher (Learning Coach), and parent-teacher (Learning Coach) interaction. We will do our best to communicate with you and we use a variety of different programs to assist with different aspects of the school. If you are not receiving regular communication from us in these various forms, please call the front desk . . . something has gone wrong.

BOOKWHEN / YOUCANBOOK.ME

Bookwhen is our online registration system. When you use this platform, it will even remind you a day before your event! Youcanbookme is another way you to get in touch with your teacher.

EMAIL

It is absolutely critical that we have a current and up-to-date email for you and your student. Students receive a school account and from time to time teachers will communicate using that email address.

FACEBOOK - <https://www.facebook.com/PhoenixFoundationCalgary>

Phoenix maintains a FaceBook page. We share key events, pictures and articles on this site. Please feel to like us and join the group.

FRONT DESK - frontdesk@phoenixfoundation.ca

You can find the forms you need, program guides and more at the frontdesk. They are also all online on our website.

GOOGLE CALENDAR - <https://phoenixfoundation.ca/calendar/>

Want to know what's happening? Check out our handy Google calendar. You can copy events right into your own calendar. Being organized was never so easy! It includes the date, time and information about events and classes. You can use the website or email to register for classes, events or activities.

GOOGLE GROUPS

At the beginning of the year, we add everyone into the appropriate groups. This group is used by your teacher or the school to communicate with you about class cancellations, updates, and so on.

PHONE CALLS - 403-265-7701

Yes we do make phone calls from time to time so don't be surprised!

PRINTED MATERIAL

You can either download or pick up a hard copy of all our Handbooks and Program Guides for the year. These are important documents that contain our school calendar, course schedule and important information you need to know about soaring to Brilliance at Phoenix.

SQUAWKCAST

Jill Mann and Diana Stinn, our slightly nutty Founders do a bi-weekly podcast on iTunes. It is a half hour of fun, discussion and exploration of educational topics. FREE, FUNNY and FULL OF INFORMATION. The opinions expressed on the podcast do not necessarily represent the thoughts and ideas of the school or its sponsors.

WEBSITE - phoenixfoundation.ca

This is our primary means of communication with parents and the community at large. The website has information about classes, activities, cancellations and other important information.

YEAR CALENDAR

Please see the website for all the calendar details and daily details!

What if I have a Complaint?

We are trying to do our best, but sometime things go astray . . . When they do, here's what you do:

1. Complaints and concerns shall first be directed to the person(s) they are about, or the person who has direct responsibility for the situation giving rise to the complaint or concern.
2. If the complainant remains unsatisfied after working through an issue as described above, then the complainant should take the concern to the immediate supervisor of the person(s) responsible for the complaint. THIS WOULD BE: Principal if a learning related issue, Building Manager if a safety related issue or Administrator if a staff issue. Please make sure you fill out the complaint form available at the front desk.
3. The staff member handling the complaint shall use a professional and systematically designed process in working toward resolution. We will first ask you to put your complaint in WRITING. Once that has been done, we will INQUIRE more deeply into the situation, talking to all the parties to gain a better perspective. From there, appropriate ACTION may be taken.
4. Not every complaint will be resolved to everyone's satisfaction.

Just a note: Persons exhibiting abusive or harassing behaviour towards staff or students will be subject to the full weight of those actions provided for under the law. Abuse will not be tolerated!

Conclusion ■ ■ ■

It's important to ask if something in this handbook doesn't make sense. The people who run Phoenix are humans too and they make mistakes from time to time. Half our board and staff kids attend Phoenix, and as such, we try our best to keep the best interests of all our students first and foremost when making decisions, because they affect our kids too.

Thanks for choosing to soar with Phoenix!
We wish you a great and glorious year!
