Welcome to the Little Critters Preschool Program

Each preschool class is set up with care to provide your children with a “CAN-DO” environment. Age appropriate toys, learning aids and outdoor time keep children stimulated while they socialize and learn each day.

- (1) **Class size:** Phoenix class sizes are much smaller to ensure each child gets the personal attention they deserve. Parents are welcome in all our classes.*
- (2) **Class length:** Not too long . . . little ones need some structure and some play time. Two and a half hours is just enough time for children ages 3-4 years.*
- (3) **Early learning:** Our preschool teacher works closely with our expert kinder teacher – together they provide amazing opportunities for children to learn and grow.*
- (4) **Fine arts:** Our teacher offers students many different methods to learn while they express their creativity. Students engage in music, arts and crafts, storytelling and more.*
- (5) **Academics:** Numeracy and literacy are promoted through our fun learning environment.*
- (6) **Field Trips:** Preschool children are welcome to participate in many of the kinder field trips throughout the year. Parents must provide transport, and additional fees may apply.*
- (7) **Flexibility:** Create a custom schedule that works best for your little one and your family.*

Why not enroll your little critter for preschool this year?
